Become a Member

Levels of Membership

- Register for National Student Membership to be eligible for IEEE scholarships, and Houston Section discounts.
- Register for Local Chapter Membership to participate in professional development workshops, local scholarships, and membership shirts!

Step 1:

Fill out registration and follow instructions online with the link.

<https://goo.gl/forms/6he4HqYdbTa4x9Zy2>

Step 2:

Complete National Membership before submitting local form. Pay national dues (\$32 for the calendar year) and email screenshot of member number to ieeuhbranch@gmail.com

https://www.ieee.org/membership_services/membership/join/index.html

Must still pay \$10 local chapter fee for local benefits.

OR

Pay only local membership dues of \$15.
* Add PayPal \$1 transaction fee payable to ieeuhbranch@gmail.com

Step 3:

National Member: get your IEEE T-shirt, Pin, Graduation Stole, and lounge access!

OR

Branch member: get your IEEE shirt.

IEEE University of Houston

2017-2018

IEEE UH's core purpose is to develop community that inspires the minds while fostering the academic and professional development of its members.

About

Who Are We?

IEEE stands for the Institute of Electrical and Electronics Engineers. Our organization facilitates professional development and networking for undergraduate and graduate students seeking advancement in engineering and technology. We are open to all backgrounds.

Why Join Us?

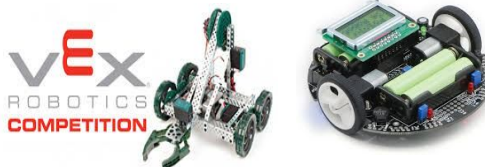

- **Peer Advising**
Network with upperclassmen and alumni for academic support
- **Member Study Lounge**
UH IEEE has a private lounge available to all members
BONUS: National members receive card access to lounge
- **Scholarship Opportunities**
- **Monthly Meetings**
Corporate representatives talk about their company and industry
Updates on UH Branch Events
- **Professional Development**
Many of our members have had internships and co-ops with companies
Free accessible advice on resume building, interview preparation, and networking

SAC

- **What is SAC?**
SAC stands for Student Advisory Committee. SAC consists of IEEE members that advocate student suggestions or concerns to the UH Engineering departments
- **SAC Professional Development**
SAC hosts mock interviews, resume critique, advisory week, company tours and more
- **You have a say!**
SAC has direct access to the engineering departments on campus. By joining IEEE SAC, you can have a direct impact on your education at UH with an added bonus of networking with professors and department heads at UH!

Robotics Club

- **VEX Robotics**
Learn how to develop and design robots, work competitively on a team, and compete against other Universities!
- **3PI Robotics**
Learn how to program effectively and improve your skills by writing control software with a team of experienced students!

Events

- **IEEE Chili Cook Off!!!**
Meet corporate representatives
Eat as much chili as you want
Party down with professors and classmates
- **Volunteering Events**
Mars Rover
Engineering Open House
Chevron Engineering the Future
- **Study Nights**
Snack the work away.
- **Wings Social**
Members are treated with all you can eat wings All wings paid for by IEEE.
- **Game Nights**
Destress with friends, food and games!
- **IEEE Extreme**
24- hour programming competition
- **AND SO MUCH MORE!!!**
